OpenText™ EnCase™ Certified Examiners are required to achieve one of the following in order to renew:

- Attend a minimum of 32 credit hours of documented continuing education in computer forensics or incident response to maintain the certification*:
 - The training should either be from OpenText, your agency, or an accredited source. Training should be either in a classroom lab setting or online. You should be able to provide proof of attendance via a certificate, transcript, or official letter.
 - You can earn one credit hour for each classroom hour of training and 1/2 credit hour for each one hour of instruction as a computer forensics or incident response curriculum instructor.
 - To obtain full credit for any EnCase Training OnDemand courses, you must view the entire class.
 - If you attend any computer forensic conference **other** than OpenText™ Enfuse™ Conference, these are the guidelines for submitting renewal credit:
 - Only labs count (we do not count seminars or product demos).
 - You can count one CPE credit or every hour you are in a lab.
 - To submit credits, please send a copy of the conference attendance certificate and/or documentation that indicates the number of CPE credits attained.

*Training and teaching hours may be combined to reach the total 32 hours required. Documentation may be a certificate of completion, official letter from the provider, or transcript.

- Achieve a computer forensics or incident response related certification within the renewal period.
*Please provide a certificate of completion as documentation.
- **Previously attended an Enfuse Conference within the renewal period.** Your certification must be current at the time of the conference at one Enfuse Conference to fulfill the requirement to renew your EnCE.
 - Indicate the year that you attended the conference:
 - Enfuse 2020 – 8 sessions
 - Enfuse 2021 – 6 sessions
 - Enfuse 2022 – 9 sessions
 - To obtain credit for attending any past Enfuse session, live or recorded for virtual viewing, you must be present for or view the entire presentation.

Please do not submit your renewal documentation separately. Keep all certificates together and only send them when you have the requirement fulfilled. When you are ready, send this form and any certificates/letters/documents to the email or mailing address below.

- Only credit that has been received between your certification date and expiration date will be accepted.
- Once your renewal has been submitted and approved, your renewal date will be changed to a three-year period. Example: If you are renewing in 2023, your next renewal date will be in 2026 and every three years from then on.

Once the application for renewal is received and approved, the certification coordinator will send payment instructions for the renewal fee via email.
