One Great Move Deserves Another

Moving to SAP S/4HANA addresses key digital transformation goals. It also presents an opportunity to address three related productivity challenges at the same time.

THE CHALLENGES

1. Preventing delays moving to S/4HANA
2. Being agile to adapt to changing global demands
3. Unifying disconnected, inefficient systems and processes

80%
Depending on the application and country, 80% or more of external communication is still paper-based.1

47%
47% of business users say they waste more than 10% of their day waiting on technology.2
