

The background features several glowing blue lines that curve across the frame, creating a sense of motion and technology. The lines vary in thickness and brightness, with some appearing as sharp, bright arcs and others as softer, more diffuse bands. The overall effect is futuristic and dynamic.

Partner Portal for Micro Focus Products

User Account Creation

July 2023

User Account Creation for the Partner Portal for Micro Focus Products

- To register as a Partner User, go to the [Partner Portal for Micro Focus products](#) and click on Register as **Partner User** to sign up for system credentials.

The screenshot displays the OpenText Partner Portal for Micro Focus products. At the top, a banner reads "Micro Focus is now part of OpenText" with the tagline "Get the information advantage for your digital dilemma." and a "Learn more" button. Below this, the page title "Partner Portal for Micro Focus products" is visible. The main content area features a "Sign in" button, a "Need an account?" section, and a "Register as" dropdown menu. The "Partner User" option is highlighted with a red box. At the bottom, there are links for "Need help? Raise a ticket" and "Partner Locator".

User Account Creation

- Enter your corporate email address into the email address field. **Note:** Personal email addresses are not accepted
- Once completed, click Submit

Account Verification

Please enter your corporate email address to verify if you have a current Micro Focus login account.

Email Address:

User Registration

- If you already have a login account, you will be directed to a login page. ***Please proceed to [slide 11](#) to continue the registration process.***
- If you do not have a login account, you will be directed to the Create Account form as shown on the next slide.

User Account Creation: Form Completion

- Complete the **Create Account** form in its entirety, choose a username and password, check the Terms of Service agreement and click **Create Login**.

Create Account

IMPORTANT: The Micro Focus Partner Portal is built using Salesforce Lightning which only works in Chrome or Firefox.

By filling out and submitting this form, you acknowledge that you are creating one account that may be used to log in on Microfocus.com and NetQ.com. The account information you provide below will be shared with Micro Focus and NetQ solely for the purposes of validating your identity across these sites. [See our privacy policy for details](#). Please do not create multiple accounts to access each company as it may restrict your ability to access locked resources. [+ Help](#)

 - ✓ International - MFI-MicroFocus.INTL.Partner.Program@opentext.com

The image features the OpenText logo in a bold, white, sans-serif font, centered horizontally. The logo is set against a dark blue background with several glowing, curved lines in a lighter blue color that sweep across the frame from the bottom left towards the top right. The lines have a soft, ethereal glow and vary in thickness, creating a sense of motion and depth.
