CHECKLIST

EMR-Link™ EHR Partners

OpenText EMR-Link™

OpenText EMR-Link™ works with any EHR to provide the tightest possible integration for lab orders and results. If your outreach clients use these EHRs or any others, give us a call so we can get you connected.

- **EHR Partners:** These EHR vendors have chosen EMR-Link for all lab/imaging connectivity, so you'll be working with us on their integration projects.

- **Supported EHRs:** All the EHRs on this list are already in our hub for easier connectivity.
