Denmark	Kuwait	Russia	

EnCE renewal form

OpenText™ EnCase™ Certified Examiners are required to achieve **one** of the following in order to renew:

- ❑ **Attend a minimum of 32 credit hours of documented continuing education in computer forensics or incident response to maintain the certification*:**
 - The training should either be from OpenText, your agency or an accredited source. Training should be either in a classroom lab setting or online. You should be able to provide proof of attendance via a certificate, transcript or official letter.
 - You can earn one credit hour for each classroom hour of training and 1/2 credit hour for each one hour of instruction as a computer forensics or incident response curriculum instructor.
 - If you attend any other computer forensic conference other than OpenText™ Enfuse™ Conference, these are the guidelines for submitting renewal credit:
 - Only labs count (we do not count seminars or product demos).
 - You can count one CPE credit or every hour you are in a lab.
 - To submit credits, please send a copy of the conference agenda and indicate the labs attended and how many CPE credits each one is worth.

**Training and teaching hours may be combined to reach the total 32 hours required. Documentation may be a certificate of completion, official letter from the provider or transcript.*

- ❑ **Achieve a computer forensics or incident response related certification within the renewal period.**
**Please provide a certificate of completion as documentation.*
- ❑ **Attend one Enfuse Conference within the renewal period.** Your certification **must** be current at the time of the conference and you must attend at least ten sessions at one Enfuse Conference to fulfill the requirement to renew your EnCE.
→ **Indicate the year that you attended the conference:** _____

Please do not submit your renewal documentation separately. Keep all certificates together and only send them when you have the requirement fulfilled. When you are ready, send this form and any certificates/letters/documents to the email or mailing address below.

- Only credit that has been received between your certification date and expiration date will be accepted.
- Once your renewal has been submitted and approved, your renewal date will be changed to a three-year period. Example: If you are renewing in 2018, your next renewal date will be in 2021 and every three years from then on.

Once the application for renewal is received and approved, the certification coordinator will send payment instructions for the renewal fee via email.
